

This is a digital copy of a book that was preserved for generations on library shelves before it was carefully scanned by Google as part of a project to make the world's books discoverable online.

It has survived long enough for the copyright to expire and the book to enter the public domain. A public domain book is one that was never subject to copyright or whose legal copyright term has expired. Whether a book is in the public domain may vary country to country. Public domain books are our gateways to the past, representing a wealth of history, culture and knowledge that's often difficult to discover.

Marks, notations and other marginalia present in the original volume will appear in this file - a reminder of this book's long journey from the publisher to a library and finally to you.

Usage guidelines

Google is proud to partner with libraries to digitize public domain materials and make them widely accessible. Public domain books belong to the public and we are merely their custodians. Nevertheless, this work is expensive, so in order to keep providing this resource, we have taken steps to prevent abuse by commercial parties, including placing technical restrictions on automated querying.

We also ask that you:

- + *Make non-commercial use of the files* We designed Google Book Search for use by individuals, and we request that you use these files for personal, non-commercial purposes.
- + *Refrain from automated querying* Do not send automated queries of any sort to Google's system: If you are conducting research on machine translation, optical character recognition or other areas where access to a large amount of text is helpful, please contact us. We encourage the use of public domain materials for these purposes and may be able to help.
- + *Maintain attribution* The Google "watermark" you see on each file is essential for informing people about this project and helping them find additional materials through Google Book Search. Please do not remove it.
- + *Keep it legal* Whatever your use, remember that you are responsible for ensuring that what you are doing is legal. Do not assume that just because we believe a book is in the public domain for users in the United States, that the work is also in the public domain for users in other countries. Whether a book is still in copyright varies from country to country, and we can't offer guidance on whether any specific use of any specific book is allowed. Please do not assume that a book's appearance in Google Book Search means it can be used in any manner anywhere in the world. Copyright infringement liability can be quite severe.

Sing to the LORD with cheerful voice,

 Approach with joy His courts unto;
 Praise, laud, and bless His name always,

Recit. T.

Chorus.

JERUSALEM, Jerusalem, thou that killest the Prophets, and stonest them that are sent unto thee, how often would I have gathered unto Me thy children, and ye would not.

And they stoned Stephen: and he kneeled down, and cried aloud:—"LORD, lay not this sin to their charge. LORD JESUS, receive my spirit."

And when he said this he fell asleep.

To Thee, O LORD, I yield my spirit,
Who break'st in love this mortal chain;
My life I but from Thee inherit,
And death becomes my chiefest gain.
In Thee I live, in Thee I die,
Content, for Thou art ever nigh.

And the witnesses had laid down their clothes at the feet of a young man whose name was Saul, who was consenting unto his death.

And devout men took Stephen and carried him to his burial, and made great lamentation over him.

Happy and blest are they who have endured: for though the body dies, the soul shall live for ever.

JESU! King of Glory!
 Thou Whose brow is gory,
 Jesu, look on me!
 Ah! my heart desiring,
 Humble, yet aspiring,
 Fain would soar to Thee:
 God of love, enthroned above,
 Holy Pastor, deign to heed me,
 Guard me, guide and feed me!
 Fold Thy wings around me,
 Nothing ill can wound me,
 Sheltered thus from foes;
 Then, though rocks be scattered,
 Though the earth be shattered,
 I can still repose:
 Fires may flash and thunders crash,
 Hell may daunt, and sin may grieve me,
 Jesus will not leave me.
 See the shades of sadness
 Fade in beams of gladness,
 Jesus now appears;
 God's elect may borrow,
 Even when they sorrow,
 Hopes that banish fears;
 They may bear disdain and care,
 Foes may slander, friends forsake them,
 Jesus still will take them.

Ps. xxi.

15.

*Double Choir with
Soli for T. & S.*

- My strength is dried up, even like a potsherd;
and to my jaws my tongue cleaveth: Thou
hast laid me in the dust of death.
16. For dogs have compassed my dwelling: and
assemblies of the wicked have enclosed me.
17. My hands and my feet have they pierced in
anger.
18. They part my garments among them: and for
my vesture they cast lots.
19. Be not far from me, O LORD GOD: O my
strength, haste Thee to help me.
20. Deliver my soul from the sword: and my
darling from the dog's power.
21. Save me from the mouth of the lion: Thou hast
heard me from the horns of the unicorn.
22. I will declare Thy Name to my brethren: and
in the congregation will I praise Thee.
23. O praise the LORD, all ye that fear him: and
honour Him, all the seed of Jacob, and fear
Him, all ye that are of the seed of Israel.
24. For He hath not despised nor abhorred the
poor in affliction: neither hath He hid His
face from him; but when he cried unto Him,
He heard his voice.
25. I will praise Thee, LORD, in the great congre-
gation: I will pay my vows in the sight of
them that fear Him.
26. The meek shall eat and be satisfied, and they
with their hearts shall praise the LORD
that seek Him; and your heart shall live for
ever.
27. All the kindreds of the people shall worship
before Him: for the earth is the LORD's and
He rules over the nations.

Mendelssohn.

215.

My heart is inditing of a good matter : I speak
of the things which I have made unto the
King.

Kings' daughters were among Thy honourable
women : upon Thy right hand did stand the
queen in a vesture of gold.

And the King shall have pleasure in Thy beauty.

Kings shall be thy nursing fathers, and queens
thy nursing mothers.

And the future years shall see,

SINCE on the Cross we saw Him die,
The CHRIST, the LORD's Anointed,
The sun is blotted from the sky
With darkness unappointed.
And that mysterious veil,
Which hid the holy light
Within the Temple's pale,
Is rent, and to the sight
Reveals the holy place of God.

The saints that slept have left the tomb,
And in the holy city
Wrapped in their cerements, thro' the gloom,
They walk in fear and pity.
Eloi! we heard Him cry,
Why, why am I forsaken?
He droop'd, we saw Him die:
Then the earth was shaken
As though it feared the wrath of God.

Far from this world of pain,
In God's paternal bosom blest,

While they, secured by faith, repose
In everlasting peace.

With myriads of angelic saints,
They'll meet Him in the sky.

Shall pour redeeming grace;
